

# Sunnyfield Disability Services

Live. Learn. Work. Have Fun.

Sunnyfield

# Our Services

For over 70 years, Sunnyfield has been supporting people with intellectual disability to become more independent and connected to the community. And to have fun!

We provide services to people of all ages: **Children** 6 - 12, **Youth** 13 - 17 years and **Adults** 18+.

## Community Services

**Locations:** Across NSW

Build life skills, social connection and greater independence.

- Community Service Hubs – learn new skills in a fun environment
- Social Groups – make friends and share experiences
- Skills for Life – develop everyday living and independence skills
- Community Access – getting out and about
- Individualised Supports – tailored 1:1 support
- Vacation Care – fun school holiday programs
- After School Care – friendship and skill building

## Accommodation Services

**Locations:** Across NSW

Find your new home or take a break away from home.

- Short and Medium Term Accommodation – short or longer terms stays in a safe and supportive environment
- Supported Independent Living (SIL) - shared, disability-friendly accommodation that supports every resident's needs
- Supported Disability Accommodation (SDA) - homes that support independent living for residents with diverse physical and care needs

## Employment Services

**Locations:** Allambie Heights and Mt Druitt

Sunnyfield supports people with disability of all ages to gain meaningful, paid work through tailored roles and supports that help achieve their goals.

- Develop work skills - build knowledge, abilities, and behaviours for success
- Build confidence and independence - empowering individuals
- Work as a team - collaborate with others to achieve shared goals
- Achieving career goals - reach milestones that reflect aspirations, strengths, and professional growth

## Vocational Services

**Locations:** Sydney, Central Coast and Hunter

Pre/Post School to Employment Transition Supports - build skills, gain independence and prepare for work. For ages 16+.

- School Leaver Employment Supports (SLES) - to find a job you love
- Employment Assistance - tailored and goal-oriented career plans
- Skills for Work - build workplace and life skills independence
- Work Experience - supported workplace and community experiences
