Employment Services

Supported Employment

Learn new skills, gain confidence, earn a wage and develop a career in a commercial environment.

Sunnyfield Employment Services provides meaningful employment for people with disability. We offer individualised supports and roles that suit different skills and abilities. We can assist you in reaching your NDIS goals.

Packaging and Operations

Develop skills for in-line quality inspections, use of personal protective equipment (PPE) and operation of packing equipment.

We also offer mentorship into the role of Assistant Team Leaders.

Warehouse and Logistics

Learn the basics of inventory management, stock control and housekeeping. You can also upskill and get your forklift licence, allowing operation of pallet moving and wrapping equipment.

Locations:

- Allambie Heights
- Mt Druitt

Hospitality and Food Preparation

For those wanting to work in hospitality, Sunnyfield will teach you the steps involved in all aspects of Café operations. Onsite training includes customer service, food preparation and handling, cooking, cleaning, food service and catering.
