

Corporate Volunteering

Engage your teams and support your local community.

For an experience sure to be filled with laughter and learning, join a day in the life of a Sunnyfield supported employee at one of our packaging facilities at Allambie Heights or Mt Druitt. This is a fantastic way to learn about disability and inclusivity, while having a unique and wonderful experience with your team.

Your corporate volunteer day

- Can be held at Allambie Heights or Mt Druitt
- Will run from 9am – 2pm
- Includes catered morning tea and lunch
- For up to 10 people
- Covered by Sunnyfield's Volunteer Accident Policy
- And costs \$1,500 (covers both actual costs for the day and supports ongoing client's programs)

What you'll do on the day

- Site tour to see what we do, safety briefing and welcome introduction
- Each volunteer will then buddy up with a supported employee and work alongside them doing various jobs including packing, weighing and labelling (no heavy lifting required)

Remembering your day

- Certificate of appreciation and thank you gift
- Photos (with approval to use) for you to use internally or for your social media

To book your corporate volunteer day or for more information, please contact Sunnyfield's fundraising team on
