

Greenacre Micro Hub

Adults 18+

Sunnyfield

It's all about lifestyle

Looking for support in a calm, homely environment? Our Greenacre Micro Hub offers a quiet, safe, and supportive space designed for adults who prefer a more relaxed and personalised setting.

This unique micro hub is ideal for those who like the idea of a lifestyle hub but with less hustle and bustle. It provides a peaceful environment where you can build confidence, develop skills, and feel comfortable being yourself.

Enjoy a variety of engaging programs that are personalised to your goals. This is a place to explore your passions and interests and to learn new skills that support your everyday independence.

Experience a different kind of day program — where support is more personal, the environment is calmer, and your goals come first.
