

Short Term Respite Medium Term Accommodation

Caringbah, Children and Youth

Sunnyfield

Your out of home stay

- Monday – Sunday
- 24/7, 365 days of the year
- Wheelchair accessible

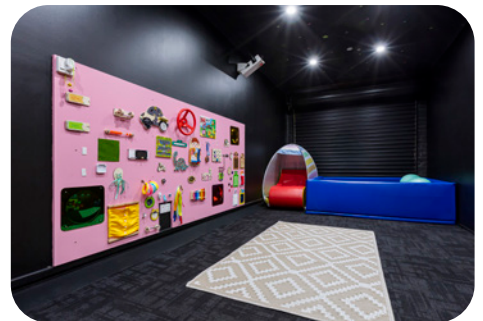

Sunnyfield's Caringbah Short Term Respite and Medium Term Accommodation (STR/MTA) service provides a welcoming and engaging environment for children and young people with disability aged 7–17 years.

Our vibrant home features five comfortable bedrooms, large social and recreational spaces, an outdoor play area, a fully equipped kitchen, large accessible bathrooms, and a dedicated sensory room for relaxation and exploration.

Supports are delivered by our friendly, qualified staff, who create fun and meaningful experiences, with a variety of activities designed to build skills, confidence, and independence.

Caringbah STR/MTA is perfectly located close to parks, the ocean, and popular community spots, giving participants the chance to explore and enjoy their local community. We offer overnight and short stays, as well as medium-term accommodation for those needing a longer stay.

To ensure your children and young people feel safe and comfortable, we provide flexible transition options. This can include starting with day visits and gradually progressing to overnight stays when they feel ready. We also offer transport options to make attendance easier and more convenient for families.
