HOMES DESIGNED WITH YOU IN MIND

Sunnyfield, in partnership with Edenbridge Living, is developing an innovative Specialist Disability Accommodation (SDA) home in Sutherland, specially designed to suit the needs of people with very high support needs who meet SDA eligibility criteria.

The new home features several one-bedroom villas architecturally designed and custom-built with benefits of privacy, social inclusion, and on-site support. Residents will be able to provide input into the personal design elements of their new homes.

Features and designs

The one-bedroom villas are self-contained and feature:

- large private bedroom with built-in wardrobe and ensuite
- a private courtyard
- combined kitchen, living and dining area
- a kitchen with a sink, dishwasher, fridge, stove, oven, and washing machine

Designed specifically to promote independent living, with 24/7 on-site support available. It's your new place to call home.

Sutherland

Artists impression only, which shows fixtures, fittings, furniture or finishes to assist in creating an image of what the home could look like when complete.

Please talk to us about what is included in your home.
