

GETTING
NDIS READY
TOGETHER

Sunnyfield
For a brighter future

IT'S YOUR TIME TO SHINE

About the NDIS

The National Disability Insurance Scheme (NDIS) is the new Federal Government funding scheme to support people with disability, their families and carers. People with disability will receive funding for reasonable and necessary supports based on their individual need and aspirations.

People with disability will be able to choose the types of supports they need, when and where they receive them, and which disability service providers they will use to access those supports.

Start your NDIS journey with Sunnyfield

For more than 64 years, Sunnyfield has been enriching the lives of people with intellectual disability by creating choice, opportunities and skills for life. Sunnyfield provides a wide range of disability supports across NSW and ACT, which can be delivered at home, at work, in a Sunnyfield Community Services Hub or within your local community.

Experienced Sunnyfield staff are available to support people with disability and their families with NDIS plan development and implementation. To find out more about how Sunnyfield can assist you with your NDIS transition contact our friendly Client Engagement Team
