Sunnyfield's Greenacre short term accommodation (STA) service caters to people with disability aged 18+. Greenacre is a 8 bedroom fully accessible home in a central location. It comes with a kitchen, 2 dedicated bedrooms for people with high physical support needs and a van to move about.

Supports are delivered by qualified and friendly staff, providing a range of activities in a safe and supported space for adults with disability to enjoy their out of home break.

Greenacre's STA service is available for overnight and short stays. Medium term accommodation is available at Greenacre's STA for participants requiring accommodation for a longer period while transitioning into a more permanent home.
