

SUPPORT COORDINATION

Easy English

Support Coordination funding is designed to support participants to get the best outcomes from their NDIS Plan. With the help of a Support Coordinator, you'll build knowledge to manage your NDIS supports more independently.

We can help you to understand your NDIS Plan.

Link you to disability service providers.

Support you to choose and organise your disability supports.

Support you to connect with your culturally diverse needs.

Build your skills to give you greater choice and control over your life and NDIS funding.

Help you decide about your NDIS Plan and goals.
